INTRODUCTION

Equal opportunity in employment is a fundamental right of all citizens and a responsibility of employers under State and Federal Laws. The Department of Social and Rehabilitation Services is committed to ensuring equal employment opportunity in an affirmative and active manner as specified in Gubernatorial Executive Order 8-73 and in accordance with the Constitution of the State of Montana (Article II, Sections 3 and 4; Article X, Section 7); the Montana Human Rights Act of 1974, as amended, (Section 64-301 to Section 64-315, R.C. M. 1947); Title V of the Rehabilitation Act of 1973, as amended; Presidential Executive Order 11246, as amended; Title VI of the Civil Rights Act of 1964; Title VII of the Civil Rights Act of 1964, as amended; the Equal Pay Act of 1963; and the Age Discrimination in Employment Act of 1967. With the Affirmative Action Plan which follows, the Department of Social and Rehabilitation Services pledges a continued commitment in support of these State and Federal Laws, rules, and regulations covering nondiscrimination in employment.

DEFINITIONS

The following definitions shall apply for purposes of this Affirmative Action Plan:

1. "Affected Class" - refers to those groups of people who have suffered and continue to suffer effects of past discrimination. This includes, but is not limited to persons in the following categories; minorities, women, physically or mentally handicapped, aged, ex-offenders, religious groups, public assistance recipients, or those discriminated against because of their marital status, political beliefs, national origin or ancestry.
2. "Employee" - means any individual regularly employed by an agency on a part or full-time basis.
3. "Executive Officer" - means the highest ranking officer and chief administrator of an agency, responsible for all functions within that agency.
4. "Equal Employment Opportunity Officer" - refers to the persons, under the supervision of the "Executive Officer," responsible for coordinating and implementing the agency's Affirmative Action Plan in conjunction with requirements established by the Equal Employment Opportunity Bureau.
5. "Good Faith Effort" - means that every reasonable effort has been undertaken to meet goals and timetables established in the Affirmative Action Plan.
6. "Bona Fide Occupational Qualification" (BFOQ) - refers to an exception to the discrimination provisions upheld by Equal Employment Opportunity laws. A BFOQ may permit an employer to discriminate where a job requires certain restrictions on qualifications that are essential to the accomplishment of the job.
7. "Affirmative Action" - means steps taken to remedy any inadequate and inequitable staffing and recruitment patterns that are the consequences of discrimination and to prevent the occurrence of employment discrimination.

BASIC POLICY STATEMENT
FOR CIVIL RIGHTS COMPLIANCEBY
THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES

In accordance with all applicable State and Federal laws, it is the policy of the Department of Social and Rehabilitation Services to provide equal employment opportunities for all persons regardless of race, color, religion, national origin, age, marital status, ancestry, receipt of public assistance, political beliefs, physical or mental handicap, ex-offender status and sex. To this end, we are implementing and will sustain a deliberate commitment to equalize employment opportunities for minorities, women and handicapped at all levels and in all programs administered by the Department.

Affirmative action to eliminate discrimination on the above-named basis (except where religion, sex, age, ex-offender status and/or physical or mental handicap constitute a bona fide occupational qualification) includes, but is not limited to employment, recruitment, advertising, hiring, transfer, promotion, demotion, training, compensation, benefits, receipt of any service or financial aid with respect to their provision, layoff, termination and all other conditions of employment. All applicants for Department employment will be recruited from the available qualified labor market and employed in accordance with each person's qualifications and abilities. Handicapped persons will be considered for employment on the basis of the person's capacity to perform the particular job applied for and the feasibility of any necessary job accommodation. Periodic reviews will be conducted for determining whether the Affirmative Action Plan is achieving its objectives. Reports of these reviews will be the basis for appropriate action to correct deficiencies.

Tim Jones, the Personnel Officer, is the Department's Equal Employment Opportunity Officer. On behalf of the Department Director, he has over-all responsibility for coordinating the equal employment opportunity and affirmative action efforts of the Department. However, equal employment opportunity, like all Department goals, can only be reached with the active cooperation and support of every Department employee. Thus, all employees are equally responsible for helping to assure the success of our affirmative action program.

Any alleged discrimination should be reported to the Department EEO Officer, Montana Human Rights Division, or the Office for Civil Rights, Department of HEW, Denver.

PATRICK E. MELBY, DIRECTOR
Department of Social and Rehabilitation Services

VALUES									

Section 2. Availability Study:

The analysis completed for each job category on the Goals and Timetables Worksheets is based on the State of Montana as the recruitment and relevant external labor market area. All data on minority and female availability in the labor market were drawn from Table 172 of the 1970 U.S. Census.

The analysis reveals a slight underutilization of male and female minorities only in the Officials/Administrators category.

Overutilization, especially of women, occurs in all categories. The greatest incidence shows in the Professional, Technical, Para-professional and Office/Clerical categories, where women comprise in excess of 50% of the total number employed in the respective job category.

Information on promotable and transferable employees and on training opportunities is included in Item IX Job Structuring and Upward Mobility.

The following turnover statistics are based on a five year average and are used in assessing training needs, job restructuring in establishing timetables as required for correcting areas of underutilization:

Officials/Administrators.....	.70% for past 5 years
Professionals.....	6.66% for past 5 years
Para-professionals.....	3.13% for past 5 years
Technicians.....	4.15% for past 5 years
Office/Clerical.....	10.32% for past 5 years

These rates are slightly inflated due to program expansion over the time periods involved.

3. Reference Merit System Rule 2-3.34 (58) - S34490 GRIEVANCES and Rule 2-3.34 (58) - S34500 APPEALS.	EEO Officer	Ongoing

Section 2. Informal Resolution:

- Step 1. Any complaint relating to a discriminatory incident shall first be taken up jointly with the employee's immediate supervisor and the EEO Officer within 15 days of such complaint.

- Step 3. If no settlement can be reached at Step 2, it shall be presented in writing to the Department Director, or his designated representative, within 5 days of Step 2, who shall render a decision within 10 days.

Should this informal resolution fail to resolve the situation, the employee may invoke the Formal Resolution as defined in Section 3 of this Plan by the Merit System Council Rules for Grievances and Appeals.

Contact Tim Jones, EEO Officer, at 449-3141 for information as required.

Section 3. Formal Resolution:

If the informal resolution procedure fails to resolve the complaint to the Complainant's satisfaction, he/she may initiate the formal resolution procedure in accordance with the following Merit System Council Rules. The Complainant will complete the Complaint of Discrimination form to be filed with the Montana State Merit System Council.

2-3.34(58)--S34490 GRIEVANCES (1):

Each agency participating in the Montana State Merit System will have a standardized procedure for processing grievances. No employee will be allowed to file an appeal or request a hearing before the Merit System Council until such employee has exhausted the remedies as outlined in the grievance procedure developed by the agency. In the grievance procedure, the agency will stipulate a time frame for completion of each step that is not unreasonable or would present a hardship to an employee attempting to resolve a grievance. (History: Sec. 59-914, R.C.M., 1947; NEW MAC Notice No. 2-3-34-1; MAC Order No. 2-3-34-2; Adp. 3/17/76; Eff. 4/5/76.)

2-3.34(58)--S34500 APPEALS (1):

Permanent Employees. Permanent employees who have been reclassified, demoted, suspended, dismissed, retired, separated through a reduction in force, denied reinstatement when the employee's previous class of position is open, or allege that they have been subject to discrimination as defined in sub-Chapter 38, Rule 2-3.34(38)--S34300, paragraph (2), may appeal to the Montana State Merit System Council. Such appeals must be made within thirty (30) calendar days after the effective date of exhaustion of the grievance procedure on which the appeal is based. The appeal must be in writing and must state the basis and facts surrounding the alleged grievance. A formal hearing before the Merit System Council will be arranged by the Merit System Administrator within fifteen (15) calendar days upon receipt of the written appeal. The Attorney General's Model Rule 14 is modified to this extent. The executive officer of the agency will be furnished a copy of the appeal in advance of the hearing. The employee, the employee's immediate supervisor, and the appointing authority will be notified reasonably in advance of the hearing and will have the right to bring witnesses, give evidence, and/or have someone represent them. The decision of the Council in all appeals will be final and binding upon the agency and employee, but does not preclude the agency's or employee's right to appeal the Council's decision before a Montana District Court as provided under the Montana Administrative Procedures Act, Section 82-4216, R.C.M., 1947. It is noted that the Council does not have the authority to render final and binding decisions in discrimination cases prior to appeal. This authority rests with the State Human Rights Division of the Equal Employment Opportunity Commission.

Section 4. Retaliation:

Termination, demotion, or any form of punishment or harassment against an employee for filing a charge, or against any person giving testimony in the resolution of complaints, is illegal and will not be tolerated.

Such action receives top priority from the State Human Rights Division and the United States Equal Employment Opportunity Commission, often resulting in back pay, awards and reinstatement.

APPENDIX 2 - MATERNITY LEAVE (Title 41, Chapter 26, R.C.M. 1947)

41-2601. DEFINITIONS (1) "Commissioner" means the commissioner of labor and industry.

(2) "Employer" means any public or private employer.

41-2602. DENIAL OF MATERNITY LEAVE UNLAWFUL. (1) It shall be unlawful for an employer or his agent:

(a) to terminate a woman's employment because of her pregnancy, or
(b) to refuse to grant to the employee a reasonable leave of absence for such pregnancy, or

(c) to deny to the employee, who is disabled as a result of pregnancy, any compensation to which she is entitled as a result of the accumulation of disability or leave benefits accrued pursuant to plans maintained by her employer; provided that the employer may require disability as a result of pregnancy to be verified by medical certification that the employee is not able to perform her employment duties, or

(d) to retaliate against any employee who files a complaint with the commissioner under the provisions of this act, or

(e) to require that an employee take a mandatory maternity leave for an unreasonable length of time.

-(2) Upon signifying her intent to return at the end of her leave of absence, such employee shall be reinstated to her original job or to an equivalent position with equivalent pay and accumulated seniority, retirement, fringe benefits, and other service credits unless, in the case of a private employer, the employer's circumstances have so changed as to make it impossible or unreasonable to do so.

41-2603. COMPLAINT--HOW FILED. A person claiming to be aggrieved by a violation of section 41-2602 may make, sign, and file a verified complaint with the commissioner of labor and industry which shall state the circumstances of the violation and the particulars thereof and shall contain such other information as may be required by the commissioner. In addition, the commissioner whenever he has reason to believe that section 41-2602 has been or is being violated, may issue a complaint. Within sixty (60) days of the receipt of a complaint the commissioner shall state his findings of fact and decision.

If, upon all the evidence, the commissioner finds that a respondent has engaged in a violation of section 41-2602, he shall state his findings of fact and shall order the respondent to reinstate the complainant if she so desires and to pay to the complainant the damages resulting from the violation. If, upon all the evidence, the commissioner finds that the respondent has not engaged in a violation of section 41-2602, he shall state his findings of fact and shall dismiss the complaint.

41-2604. ENFORCEMENT. The commissioner or his authorized representatives may enter and inspect such places, question such employees, and investigate such facts, conditions, or matters as they consider appropriate, to determine whether any person has violated any provision of this act or any regulation issued hereunder or which may aid in the enforcement of the provisions of this act.

The commissioner or his authorized representatives may administer oaths and examine witnesses under oath, issue subpoenas, compel the attendance of witnesses, and the production of papers, books, accounts, records, payrolls, documents, and testimony, and take depositions and affidavits in any proceeding before the commissioner.

41-2605. REGULATIONS. The commissioner shall make and revise administrative regulations to carry out the purposes of this act. Rule making under this act shall comply with the provisions of the Montana Administrative Procedure Act.

41-2606. INDIVIDUAL ACTION. Nothing in this act shall preclude an individual from prosecuting a private action in the district court alleging violation of the provisions of this act or any other act.
